

SEXUAL MEDICINE IN PROCESS

CALL FOR APPLICATIONS International Research Workshop in Oncosexology

Date and location: 25.02.23 & 24.03.23, Online
Organizer: Austrian Academy for Sexual Medicine in cooperation with the
Salzburg Cancer Research Institute (SCRI-CCCIT gem. GmbH)

About the Workshop

The **International Research Workshop in Oncosexology** aims to support researchers in the fields of oncosexology by connecting them to experienced experts in the field.

Early Career Researchers, PhD students, and other researchers in the field are invited to present and discuss their planned, ongoing, or recently finalized research project with the workshop faculty.

What we offer

- 1.) The opportunity to present and discuss oncosexological research projects, which may be in the planning stage, currently in progress, or already completed
- 2.) Valuable feedback on individual research plans
- 3.) Improved research skills and a deeper understanding of the field of oncosexology

Workshop faculty

Dr. Ana Luisa Quinta Gomes, Ph.D., Clinical Psychologist, Sex Therapist, Researcher; CPUP – Centro de Psicologia at university of Porto, Faculty of Psychology and Education Sciences, University of Porto

Prof. Richard Greil, Univ. Prof. Dr. med., Head of the 3rd Medical Department with Hematology, Medical Oncology, Hemostaseology, Rheumatology and Infectious Diseases; Oncologic Center Private Medical University Hospital Salzburg, Head of the Salzburg Cancer Research Institute (SCRI) with Laboratory of Immunological and Molecular Cancer Research (SCRI-LIMCR) and Center for Clinical Cancer and Immunology Trials (SCRI-CCCIT); Head Cancer Cluster Salzburg

Prof. Erick Janssen, Ph.D., Institute for Family and Sexuality Studies, Department of Neurosciences, University of Leuven; Senior Research Fellow, The Kinsey Institute, Indiana University, USA

Who can apply

We invite researchers from the following areas: Medical doctors, psychooncologists, social scientists, including PhD students and Early Career Researchers, who are involved in oncological, oncosexological, radiooncological, or psychooncological research.

SEXUAL MEDICINE IN PROCESS

How to apply

Please send a brief one-page curriculum vitae, a summary of your research or proposal (up to 500 words), and a brief cover letter explaining the relevance and background of your research.

Practical details

The online workshop will take place on Saturday, February 25th, 2023, 14:00 -18:00 and Friday, March 24th, 2023, 14:00 -18:00 (times in CET). We aim to allocate one hour per participant, with 20-30 minutes dedicated to presenting the research topic/proposal and 30-40 minutes reserved for questions, feedback, and discussion. The exact timing will be finalised when the number of participants has been confirmed.

Each participant will have an individual session with only the panel.

Participation is free of cost.

Deadlines and contact information

- Please submit applications by **Friday, February 17th, 2023**
- **Submit applications** to: Dr. phil. Ulrike Pfuner (info@oeasm.org or info@oeasm.at)
- For **research-related queries** please contact: Dr. Ana Luisa Quinta Gomes (bisagomes@gmail.com) or Prof. Erick Janssen (erick.janssen@kuleuven.be)
- For **organisational questions** please contact: Dr. Marianne Greil-Soyka (marianne@greil-soyka.at)
- If you are **unable to attend** either of the workshop dates but would still like to participate, please contact Dr. Marianne Greil-Soyka (marianne@greil-soyka.at) to inquire about scheduling an individual session on a different date.
